QUANTUS FOODS – DOUGH BALL RANGE

Foodservice-ready products for real kitchens.

Quantus Foods develops products engineered specifically for foodservice – the right pack sizes, formats, pricing logic, and practical performance for busy kitchens. Our focus is simple: build products operators can trust and wholesalers can list with confidence.

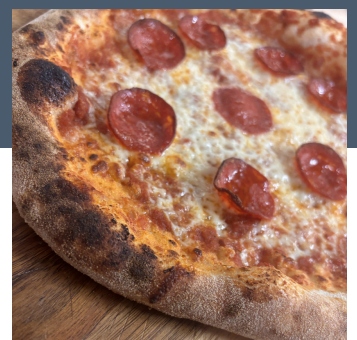

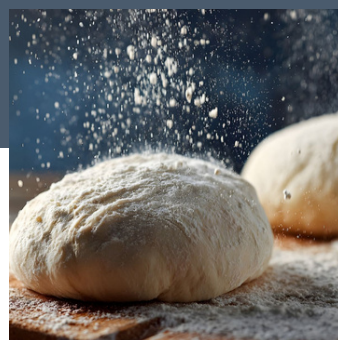

Sizes & Pack Formats

DOU059 Frozen Doughballs	50 × 180g
DOU060 Frozen Doughballs	45 × 210g
DOU064 Frozen Doughballs	40 × 240g
DOU061 Frozen Doughballs	35 × 270g
DOU062 Frozen Doughballs	30 × 340g
DOU063 Frozen Doughballs	24 × 400g

Created for consistent kitchen performance and maximum versatility.

- Easy to stretch and shape for fast, reliable prep
- Predictable rise and excellent texture
- Frozen format for simple stock control and reduced waste
- 4-day chilled shelf life once defrosted, developing improved flavour over time
